

The Geese Project Leadership Assessment Test (LAT)

The **Geese Project Leadership Assessment Test (LAT)** is a web-based assessment tool designed to evaluate your leadership profile based on the Geese Project 12 Leadership Traits.

It generates customized reports that provide comprehensive insights on your leadership traits. It can be used to identify specific skills to master, and measure progress by comparing pre and post results over a period of time.

THE GP LAT PROVIDES ASSESSMENT ON THE 12 LEADERSHIP TRAITS:

RELATIONSHIPS

Measures the leader's ability to build and maintain positive relationships with team members, stakeholders, and external partners.

RESILIENCE

Assesses the leader's capacity to bounce back from setbacks, adapt to change, and maintain composure under pressure.

RESOURCEFULNESS

Evaluates the leader's skill in leveraging available resources creatively and efficiently to achieve organizational goals.

CONFLICT MANAGEMENT

Examines how well the leader handles conflicts within the team, fostering resolution and maintaining a positive work environment.

CRITICAL THINKING

Gauges the leader's ability to analyze situations, make informed decisions, and solve problems strategically.

COMMUNICATION

Measures the leader's effectiveness in conveying ideas, providing feedback, and ensuring clear and transparent communication.

LEADERSHIP

Assesses the leader's capacity to inspire, motivate, and guide the team towards achieving shared objectives.

INNOVATION

Evaluates the leader's openness to new ideas, ability to encourage creativity, and willingness to embrace innovative solutions.

EXCELLENCE

Measures the leader's commitment to quality, continuous improvement, and the pursuit of excellence in all aspects of work.

DISCIPLINE

Examines the leader's consistency in following through on commitments, enforcing standards, and promoting a disciplined work culture.

INTEGRITY

Gauges the leader's commitment to ethical behavior, transparency, and honesty in all professional interactions.

WORK ETHIC

Assesses the leader's dedication to hard work, accountability, and a strong sense of responsibility towards organizational goals.

HOW GP LAT WORKS:

Participants in the LAT respond to a series of **multiple-choice questions** related to each of the 12 Leadership Traits.

The questions are designed to reflect real-world leadership scenarios, requiring individuals to choose responses that best align with their values and behaviors in specific situations.

The screenshot displays the Geese Project Leadership Assessment Test interface. At the top, the Geese Project logo is shown, followed by the title "Leadership Assessment Test" and the subtitle "Discover your leadership potential across 12 core traits". Below this, three key metrics are highlighted in colored boxes: "Duration" (15-20 minutes), "Questions" (60 leadership scenarios), and "Reports" (3 detailed insights). The main section, titled "The 12 GP Leadership Traits:", lists twelve traits in a grid format, each with an icon and a brief description: Relationships, Resilience, Resourcefulness, Conflict Management, Critical Thinking, Communication, Leadership, Innovation, Excellence, Work Ethic, Integrity, and Discipline. At the bottom, a "Get Started" form is visible, containing input fields for "Full Name", "Email Address", and "Company", along with a "Start Assessment" button.

Collectively, these reports provide valuable insights on one's leadership profile, facilitating more targeted leadership development initiatives.

BENEFITS OF THE GP LEADERSHIP ASSESSMENT TOOL:

HOLISTIC EVALUATION

Captures a comprehensive view of leadership qualities by assessing against the GP 12 Leadership traits.

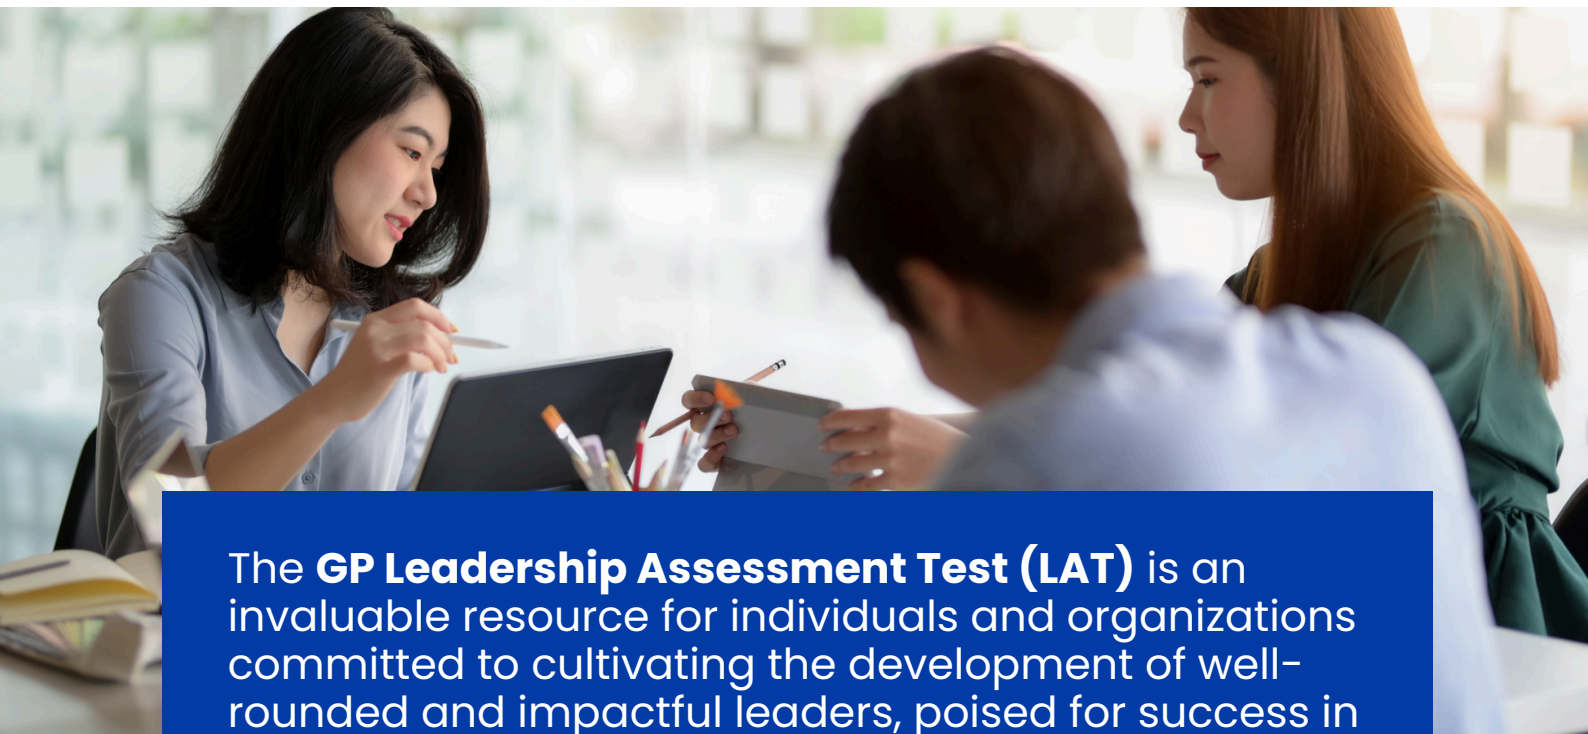

INDIVIDUALIZED DEVELOPMENT

Provides customized narrative report to help focus on their own specific areas for improvement.
